

Anti- Bullying Policy

February 2025

Bullying

Bullying is deliberately hurtful behaviour repeated over time, where it is difficult for those being bullied to defend themselves

We do not tolerate bullying of any kind at Spring Hill Primary School.

Any incident of apparent bullying is investigated. Bullying is something that happens more than once to the same person. Something that happens once may be mean and hurtful but it is not necessarily bullying.

Introduction

In 2003 OFSTED, published “Bullying effective action in secondary schools”. This was followed by DfES guidance for schools under two headings: “Don’t suffer in silence” and “Bullying – a charter for action”. This policy reflects this guidance.

DfES guidance defines bullying as actions that are meant to be hurtful and which happen on a regular basis. Bullying can be direct or indirect.

Spring Hill Primary school is committed to working with staff, pupils and parents and carers to create and maintain a school community where bullying is not tolerated. The school anti-bullying policy has been developed with due regard for our duties and obligations under existing legislation and public sector duties for the safeguarding and wellbeing of all our pupils and we will take all steps to ensure their safety.

Aims and objectives

The governors, headteacher, leadership team and all staff at Spring Hill Primary School acknowledge that bullying is wrong and damages individual children. We therefore do all we can to prevent it, by developing a school ethos in which bullying is regarded as unacceptable.

We aim to:

- show commitment to overcome bullying through practising zero tolerance.
- have a safe and secure environment where all can learn without anxiety and measures are in place to reduce the likelihood of bullying.
- ensure a consistent school response to any bullying incidents that do occur.
- make the school community aware of our opposition to bullying and we make clear each person’s responsibilities with regard to the eradication of bullying in our school.

This policy aims to promote the understanding that bullying is usually caused by discontentment/unhappiness in the aggressor.

3: Preventing and responding to bullying incidents

Prevention of bullying

All pupils discuss bullying in the autumn term each year, linked with National Anti-bullying Week and the PSHE work about bullying. Individual classes will address issues around bullying throughout the year in circle or discussion times.

The school works hard to ensure that all pupils know the difference between bullying and “falling out”.

The school employs pastoral staff to work with children. They talk to children who have concerns, runs circle of friends groups and supports peer mediation.

Response to bullying

Suspected bullying may be reported by a child, a carer, member of staff or a parent. In some cases, a child may admit to a member of staff that they have bullied another child. All reported incidents of bullying must be investigated and taken seriously by staff members.

An investigation into the suspected bullying, using the schools ‘Suspected Bullying Investigation Procedure’ will be undertaken by an appropriate person known to the child/ren. Staff will take time to discuss the issues with the perpetrator(s) and if appropriate carry out relevant sanctions in line with the school Behaviour Policy.

Older children may be asked to write a report themselves. Where appropriate, the wishes of the child will be taken into account before any further action is taken.

The Headteacher or a member of the leadership team will take time to discuss the issues with the victim of bullying and suggest strategies on how best to deal with the situation.

Strategies to support a victim of bullying will be put in place by staff. These may include a buddy from an older class, TA support at lunchtime or the opportunity to talk regularly to a member of staff.

Parents will be informed.

The pastoral support staff will support victims of bullying and those who take part in bullying.

It will be made clear to all the children that bullying will not be tolerated.

If the incident is not too serious a problem solving approach may help. Each child must be given an opportunity to talk and the discussion should remain focussed on finding a solution to the problem and stopping the bullying reoccurring; where possible the pupils will be reconciled. The Head teacher, the leadership team and other appropriate members of staff will monitor the situation closely afterwards.

Time is spent talking to the child or children who have done the bullying, explaining to them why their action was wrong and how they should change their behaviour in the future. When appropriate we will invite the children’s parents to school to discuss the situation. The school will try hard to support the offender through mentoring and by setting up home school link systems, working with parental support.

In extreme situations The SENCO or head teacher may contact external services, for example the Behaviour Support Team or Educational Psychologist.

If the incident is decided to be bullying or is serious parents will be informed and asked to come into school to discuss the issues. The Head teacher or SENCO may contact outside agencies for support. In some cases exclusion may be considered. Records of bullying are kept during the child’s stay at the school using CPOMS.

All incidents of bullying are recorded.

The school’s anti-bullying policy is available on the school website and on request from the school office.

4: Recording and reporting bullying

When a possible incident of bullying is reported it must be recorded on a "Suspected bullying incident report" form. This will be the responsibility of the staff member concerned. The Head teacher must be informed and a copy of the report form given to them.

If, after investigation, it is decided that the incident is a bullying incident the head teacher or a member of the leadership team will record the incident internally on the bullying log (CPOMS) and then on the LA bullying/racist incident form. All such incidents will be followed up by a member of the leadership team.

If the bullying includes racist or homophobic abuse the Head teacher must be informed and the incident will be recorded in the racial and homophobic incident log. All such incidents will be followed up by a member of the leadership team.

Governors will receive regular updates from the Senior Leadership Team through the Head teacher's report to governors once a term. The Chair of governors will be informed of any serious incidents of bullying.

Monitoring and review

The anti-bullying policy is the governors' responsibility and they review its effectiveness annually.

They do this by examining the school's bullying incident file where incidents are recorded and by discussion with the head teacher. Governors analyse information for patterns of pupils, places or groups. They look out in particular for racist bullying or bullying directed at children with disabilities or special educational needs. The information reviewed by governors does not include children's names.

This policy is monitored on a day to day basis by the head teacher who reports to governors each term.

This policy will be reviewed annually.
